SUBJECT : **ADMINISTRATION OF THE ADMISSION TESTS OF THE
SPECIAL CURRICULAR PROGRAM IN SCIENCE,

To ensure that the Special Curricular Program in Science, Technology and Engineering (formerly ESEP) attracts students with the aptitude and interest in Science, Technology, Engineering and Mathematics (STEM), the Bureau pursued last year the development of admission tests for the Program. In this regard, please be informed that the STE-implementing schools shall use the existing admission test in the selection of Grade 7 entrants in the Program for SY 2015-2016 effective immediately.

For your appropriate action.
