SUBJECT : **Updating of Enrolment Data and Age Profile of Private Schools
in the Enhanced Basic Education Information System (EBEIS)
Beginning of School Year (BOSY) 2015**

DATE : **14 March 2016**

Based on the generated reports of Age Profile of private schools in the Enhanced Basic Education Information System (EBEIS), Beginning of School Year (BOSY) 2015-2016, it was found that it has discrepancies between the enrolment data by grade level. This has effects on the computation of performance indicators of private schools.

In lieu of this, please be informed that the system is open for the updating of enrolment data as against the age profile of private schools, starting March 15, 2016 until March 24, 2016 in the EBEIS.

Lastly, please advise all concerned private schools in your Division to reconcile such data as the system is open for updating. Attached herewith, is the list of private schools with discrepancies on Age profile in your Division, for your ready reference.

For clarifications please contact Ms. Josephine C. Martinez of the Education Management Information System Division-Planning Service at the following telephone numbers, (02) 638-2251 or 635-3958, or email us at ps.emisd@deped.gov.ph.
